HOW TO MAKE SURE OF VOTE

Everybody Entitled to Franchise Is Urged to See Name Properly Registered.

DATES AND PLACES GIVEN ONLY TWO DAYS ON WHICH YOU CAN REGISTER.

Registration day for the city election has been set for next Tuesday, Oct. 12, and the only opportunity for registration after that date will be two weeks later, Tuesday, Oct. 26. On either of these days the registrars will be on duty at their respective places from 9 o'clock in the morning until 9 o'clock at night.

The importance of registration by any persons who may have moved here recently and for those who are now qualified to vote, but who have never cast their votes in Utah, is being urged by the Republican city committee and every voter in the party is urged to see that his name is properly recorded on the registration books.

In the transfer of names from one book to another mistakes are sometimes made. Unless the citizen is properly registered there will be no opportunity to vote, and this is the reason for the urgent call for every Republican to see that his name is properly registered.

Every citizen who votes at the coming city election must have been a resident of Utah for at least one year and a resident of Salt Lake county for at least four months, and in the precinct for at least sixty days, in case a citizen has changed his address, without leaving the old precinct, it is imperative that he check up with the registry agent to see that his name is properly recorded.

The Republican women of Salt Lake are taking an early and active interest in the election, and in many of the precincts committees of women will be out next Tuesday to see that all Republicans eligible to vote are registered at their respective places. The complete list of registry agents for the fifty-four precincts of Salt Lake, with the addresses of the places of registration, follows:

LAI UP 3 MONTHS WITH AN ULCER

On Ankle—It Was Very Bad and Only Got Worse Under Treatments—Cuticura Soon Healed It—Baby's Head Freed from Stubborn Scurf by Cuticura Soap.

"My case was a very bad ulcer sore on my ankle and I was laid up three months with it. I was reading an advertisement in the newspaper one day about the Cuticura Remedies so I purchased a cake of Cuticura Soap and one box of Cuticura Ointment and a large bottle of Cuticura Resolvent. After using one cake of Cuticura Soap and one box of Cuticura Ointment my ulcer was healed, by washing twice a day with the Soap and using the other remedies as directed. Before I used the Cuticura Remedies my sore was getting worse all the time under other treatments. Furthermore we have a baby boy here and we have found that Cuticura Soap has been a fine thing for him. He had scurf on his head and we tried every way to remove it but failed until we used the Cuticura Soap which removed it almost at once. George M. Hall, Brushton, N. Y., Dec. 24, 1908."

CURED FALLING HAIR

And Itching Scalp with Cuticura.

"Some months ago I suffered with a bad form of scalp disease. My hair was falling out and my head itched. I read about Cuticura and determined to try it. I bought a cake of Cuticura Soap and a box of Cuticura Ointment and used them. I continued using the Cuticura Ointment on my head daily and the result was truly wonderful. I still use it occasionally and I always have Cuticura Soap on hand. The cure is complete. Mrs. Amy Geissler, 2013 South Seventh St., Omaha, Neb., Sept. 23 and Oct. 8, 1908."

Cuticura Soap (25c), Cuticura Ointment (50c) and Cuticura Resolvent (50c), or in the form of Chocolate Coated Pills, 25c per box of 60, are sold throughout the world. Potter Drug & Chem. Corp., Sole Props., 135 Columbus Ave., Boston, Mass.
